| Interieur | **cockpitafel, spoelbak** |
| Veiligheid | **reddingsvlot** |
| Persennings | **bimini top** |

## Beschrijving

DESCRIPTION:
This SUNBEAM 32.1 was used for only one season on Berlin's Wannsee lake and was regularly serviced by us as a SUNBEAM dealer.

The engine has only run for 10 hours. The owner is selling the yacht because he wants a larger one.

The SUNBEAM 32.1 is a modernly designed yacht that redefines the category of sport watercraft. Presented as an evolution of the traditional yacht concept, it combines contemporary style with advanced functionality. The SUNBEAM 32.1 represents a new generation of yachts designed to offer performance, comfort, and aesthetics aligned with current trends.
Antifouling

Builder: SUNBEAM YACHTS
Shipyard: SUNBEAM

The Sunbeam 32.1 is an innovative and sporty design sailboat, conceived as a "daysailer" or weekend cruiser of about 10 meters in length.

DESIGNERS:
J&J Design (o Jakopin & Jakopin): Arquitectos navales eslovenos de larga trayectoria.
Kiska Design (Gerald Kiska): Disenador industrial austriaco, conocido por su trabajo en el sector automotriz, quien aporto lineas modernas, agresivas y funcionales, incluyendo la caracteristica proa invertida.
ENGINE
Volvo Penta 18 hp
Volvo Penta D1-20 diesel engine with saildrive and 2-blade fixed propeller.
Engine power: 1 x 18 hp / 13 kW
Engine hours: 10 h
