Beschrijving

This single owner yacht has never been chartered.
She is always completely enclosed within a full boat cover when not in use, with long-standing diligent crew taking care of her.
The VIP cabin has been converted into a Karaoke room with v-shaped seating and a large TV, she is the perfect yacht to entertain friends or close business deals.
The other cabins have not been slept in, the owner was basically using her as a day boat with no overnighting.
Twin MAN engines help her reach 32 knots. Bow and stern thrusters make parking and maneuvering a breeze. Twin Kohler generators will power the lights and air conditioners to keep the guests comfortable even on the hottest and most humid days.
She boats timeless looks, an enormous flybridge with a wet bar, teak side decks, hi-lo swim platform, a spacious saloon with two large lounges and a forward dining area with an open galley that can comfortably accommodate 8 people at a fixed dining table. The aft deck is furnished with seating and a table for dining and al fresco entertaining, whilst her foredeck has a large sun pad lounge.
