Motorvermogen	**3.100 PK (2.280 kW)**

Uitrusting

Technische uitrusting	**hekschroef**
Uitrusting dek	**hydraulisch zwemplatform**

Beschrijving

New listing sunseeker predator 72 is an aggressive looking sports-cruiser.however its size and shape by no means makes the yacht hard to handle.
Predator comes with both bow and stern thrusters which can operate both engines, thrusters and anchor remotely. In-fact this was the first yacht bought by the current owners who drive the boat themselves without a Captain. Predator has a very large cockpit with a table that can easily seat 10 guests who can be served from the lovely American-style gas BBQ that dominates the worktop area. The 72 also comes with a tender garage that can fit a 325 Williams jet rib, a hydraulic bathing platform and a crew cabin.
Predator really looks like a Yacht that has only been on the water for a couple of years and it is clear the owners have taken good care of the yacht. They are selling with a heavy heart but feel they are now ready for something larger and with a flybridge to accommodate their growing families.
