Remarks :
The Westerly Seahawk 34 is a well-respected British cruising yacht that perfectly combines classic lines, solid construction and dependable offshore capability. Designed by Ed Dubois and built by the renowned Westerly Marine yard, the Seahawk 34 offers comfortable accommodation, excellent sea-keeping and the reassured build quality that has made Westerly yachts so sought after amongst cruising sailors.

With a Spacious centre cockpit layout, the Seahawk 34 provides a safe and secure sailing experience, ideal for coastal cruising, extended passages or liveaboard adventures. The bright and practical interior berths 7 and features a generous aft-cabin, well-equipped galley, comfortable saloon and ample storage throughout.

Under sail, The Seahawk 34 is stable, predictable and easy to handle, performing confidently in a wide range of conditions. Fulica has been well cared for by her present owners who have kept up to date with maintenance. Whether you are planning weekend escapes, channel crossings, or longer offshore passages, the Westerly Seahawk 34 is a yacht that inspires confidence wherever she sails.
