Remarks :
This Westerly Konsort is the sort after bilge keel version. The Westerly Konsort offers great accommodation with good ,safe sailing performance. Her bilge keel allows her to explore the shallowest of cruising grounds and she is designed to take the ground. The saloon is spacious with a folding dining table and she can sleep 6 crew. There is a well laid out galley and good sized heads.

'Windsong' comes with a full cockpit tent and Bimini. She is easily sailed single or short handed with a roller furler genoa and in mast reefing system.
