Beschrijving

An icon of 1970s Spanish cruiser-racers, the Westwind 35 is now approaching true classic status. Built by Astilleros Nauta and designed by renowned naval architect Angus Primrose —also responsible for the Moody range— she stands out for her solid construction, generously laminated hull, and deep keel that delivers stiffness and confident upwind performance. With her elegant overhanging bow and seaworthy lines, the Westwind offers a safe, steady, and rewarding sailing experience. Below deck, she features a bright and spacious interior with quality woodwork and a traditional, practical layout ideal for comfortable family cruising.
A true piece of Spanish nautical history, perfect for sailors who value character, heritage, and authentic sailing feel.
Boat + berth in Portals: 120.000 Eur
